

Assignment

The following analysis can be drawn out after looking at the graphs of the companies:

Name	Number of Buy signal	Number of Sell signal	Number of Hold signal
Bajaj Auto	12	11	866
Eicher Motor	6	7	876
Hero MotoCorp	9	9	871
Infosys	9	9	871
TCS	12	13	864
TVS motors	8	8	873

1. Bajaj Auto's share is looking quiet stable with many golden crosses. This is share to keep. One of best performing share
2. Eicher's share is a stable share with less opportunities but the graph going upwards. Investors might want to take note of this.
3. Hero motor's share is again steady with many positive crossovers but since the graph is going down, the investment might not be a option.
4. Infosys's share, though have dipped in the past, but its constantly moving upwards proving many opportunities for making profit.
5. TCS has been providing many opportunities in the but right now its graph is tumbling. But the history is good, this can be share to buy.
6. TVS motor's share has been profitable with many opportunities but graph is going down, so watch carefully.
